

## WILL PREPARATION AND ESTATE RESOLUTION SERVICES

---

*If you enroll in the Supplemental Life Insurance Plan, you'll have free access to will preparation services and estate resolution services through MetLife Legal Plan.*

### Will Preparation Services

With will preparation services you and your spouse can access attorneys participating in the network for assistance in preparing or updating a will.

### Estate Resolution Services

The estate resolution service provides consultation and representation regarding matters related to probating the estate of the insured or the insured spouse/ domestic partner.

The attorney's fees for both services are fully covered and there are no claim forms to file. You also have the flexibility of using a non-network attorney and being reimbursed for covered services according to a set fee schedule.

For more information or to access services, simply contact MetLife Legal Plans toll-free at **1.800.821.6400**, 8:00 a.m. to 8:00 p.m. ET, Monday through Friday. You'll be asked to provide your company name, group number (190196), and the last four digits of your Social Security number.

The digital estate planning solution is available to all enrolled legal plan members. You will need to create an account here using the email and password of your choice to use the digital estate planning solution.

To get started:

1. Once you've created an account and logged in, choose Wills & Estates from the coverage menu, and then choose "Wills".
2. Answer a few questions to find out if the digital estate planning option is right for you. If it is, click on "Do it Online" to continue.
3. Begin creating your documents by providing some information about yourself, your family and your healthcare wishes.
4. Review the documents to ensure your wishes are correctly stated.
5. Print the documents and review the instructions for notarization. You can find a notary at most banks or UPS stores.

The process is designed to work for most people, but if there are aspects of your estate that are more complicated, you might be directed to reach out to one of our network attorneys instead of using the online process.
